ProSites ranks #3001 with impressive three-year sales growth of 73%.

Temecula, CA – August 21, 2012 – ProSites, the nation’s leading website design and Internet marketing provider for medical and dental professionals, was named to the 2012 *Inc.* 5000 list, an exclusive ranking of America’s Fastest-Growing Private Companies. ProSites ranked #3001 on this prestigious list which has become the hallmark of entrepreneurial success.

“As an Inc. 5000 honoree, ProSites shares a pedigree with Intuit, Zappos, Under Armour, Microsoft, Jamba Juice, Timberland, Clif Bar, Pandora, Patagonia, Oracle, and other notable alumni,” stated Eric Schurenberg, Editor in Chief of *Inc.* magazine. “Now, more than ever, we depend on Inc. 5000 companies to spur innovation, provide jobs, and drive the economy forward.”

ProSites combines superior website design with effective search engine marketing techniques to help doctors maximize their online visibility and drive practice growth. The company’s comprehensive list of services also includes mobile website design, local search marketing, and social media strategies.

“Being recognized by *Inc.* magazine for three years in a row is a tremendous honor and an achievement that we are very proud of,” stated Lance McCollough, founder and CEO of ProSites. “This is a testament to our team’s commitment to helping doctors grow their practice through our innovative Internet marketing solutions.”

To rank among the 2012 *Inc.* 5000, ProSites had to thrive through three of the toughest years the U.S. economy has seen in decades. In addition to ProSites (a three-time honoree), this year’s list added powerhouses Levi Strauss, Yelp, and Facebook as first-time honorees.
